

5th Grade School Supply Classroom Donation!!!

I am going to purchase your student's school supplies this year. I simply need you to make a \$65.00 classroom donation into the 5th grade account through the bookkeeping office. Please make sure you have this in by July 8th if possible. If you have any questions, please email me at bwaldrop@bessemeracademy.com.

This will include items such as daily planner, binders, pencils, etc. that your child will need for 5th grade.
