ADMISSION POLICIES

Applying for Admission

Applicants are accepted each year during open enrollment. The dates and fees are advertised each year.

Admission Policy

Students of any race, color, or national and/or ethnic origin are admitted to Bessemer Academy and shall have all rights, opportunities and privileges generally accorded to students attending the institution. This school does not discriminate on the basis of race, color, and/or ethnicity. This policy is in compliance with the requirements of Title 26, United States Code Section 501. In accordance with our mission, Bessemer Academy seeks to educate the average and above average students.

Students applying for admission to Bessemer Academy must present a record in good standing if transferring from another school and must display at all times after enrollment appropriate behavior. Students must not be under suspension or expulsion from another school and should be able to perform at their anticipated entrance level. Entrance level will be determined through a combination of written assessments and transcript evaluation. Students who do not meet grade requirements may be considered for additional evaluation or may enroll on probation pending review of grades at the end of the first nine weeks. Students must have a “C” or better average in all core requirement classes. Students applying for admission for grades 1-8 must take a written evaluation assessment. Students who transfer from a non-accredited school may be required to take an exam for each credit they wish to transfer. Any student wishing to transfer to Bessemer Academy as a senior must be eligible to graduate from their former school. A student wishing to transfer to Bessemer Academy from block scheduling should be aware that their educational program could be in jeopardy.

A student at Bessemer Academy cannot be a parent, be expecting a child, or be married. This policy applies to males and females alike. Expulsion will occur if this policy is broken. Any student wishing to enroll in K5 must be five years old on or before October 1st and any student wishing to enroll in First Grade must be six on or before October 1st.

In order to have a safe and secure environment, no student who has a communicable and/or infectious disease may enroll. The prospective student could reapply after clearance from a doctor.

Enrollment at Bessemer Academy is based on a one year contract between the parent, the student, and the school. The enrollment contract will be fulfilled at the end of one year and will not be automatically renewed. Parents of prospective students must interview with the Headmaster and complete an enrollment application. Bessemer Academy reserves the right to reject those students who have failing records from a previous school and/or Bessemer Academy. In some cases, further evaluation may be required. The Board of Directors of Bessemer Academy reserves the right to

accept or reject any applicant for any reason deemed sufficient by the Board of Directors.

Prospective students must submit current school records and request an interview with the Headmaster. Upon interviewing, prospective students must complete and application, and provide the following: birth certificate, social security card, current immunization, and proof of withdrawal from previous school with finalized transcript or cumulative report. Upon acceptance, the parents and student must enter into a contract with the school, and a registration fee and first month's tuition will be due. Tuition payments after the first month become due starting June 1st for 12 month contracts and August 1st for 10 month contracts. If you request to be released from your financial contract, admission at a later date may be denied.

ATTENDANCE POLICIES

Punctual and regular attendance at school is extremely important. When a student is absent, he/she must bring a written statement from his/her parents/guardian, doctor, or dentist giving the reason for the absence on the day the student returns from school. One day's grace period will be given, but if a written excuse is not brought in, the absence will be marked as unexcused and no makeup work will be given. Exceptions are considered on a case by case basis. No medical notes will be accepted after the second day the student returns to school. The medical excuse will only be honored for the hours stated on the medical excuse. No altered medical excuse will be accepted. A physician's letterhead will be used to verify absences due to illness. All excuses must be signed and the time of the appointment stated.

Check-ins will either be counted as a tardy or an absence according to the check-in time. Students will be counted absent from classes when more than 1/2 of the class is missed. Check-outs will be counted as absences in those classes missed. In the secondary school, credit is given class by class and attendance will be registered in each class. Students who are to participate in after school extracurricular events must be in attendance the entire day of the event to participate. Five (5) tardies per class constitute one (1) absence.

Students must have a written note from a parent for checkout. The note must be verified before the student is allowed to leave. Otherwise, a parent must physically come to school and check a student out. No phone calls will be accepted for checkouts.

Attendance

Middle School and High School

An absence is defined as a student not being present for more than 1/2 of the class. **Absences are recorded per class.** Excused absences are given for illness of a student, serious illness in the immediate family, funeral, court summons, doctor or dental appointments. A written excuse must be presented to the Administrator or designee in order to be considered an excused absence. A doctor/dentist statement should verify all medical absences. Students returning after an absence will be marked excused before being allowed to make up any classwork that may be missed. Absence for vacation or pleasure trips will be excused only if prearranged with the Administrator. A student may not be given credit for a class if he or she has been absent eleven (11) days during a semester. Exceptions may be made for medical reasons, but the student must satisfy all other standards.

Elementary

All standards for high school attendance apply for elementary with the following exceptions: Students who are absent from a class more than fifteen (15) days per semester shall not receive any credit for the class. Exceptions may be made for

medical reasons, but the students must satisfy all other standards. Five (5) days tardy constitutes one (1) absence.

Hours of Operations

The school day begins at 8:00 a.m. Students will be marked tardy after this time. The following steps have been taken to ensure the safety and security for our students. Supervision for the students is not provided until 7:45 a.m. All students are dismissed by 3:08 p.m. and the school is locked by 3:30 p.m. Students in grades 7-12 who cannot be picked up by 3:30 p.m. need to make arrangements for after-school care (i.e., YMCA, etc.); Bessemer Academy will not be responsible for students left after 3:30 p.m. on the school grounds. If your students is not picked up by 3:30 p.m., they will automatically be sent to after school care.

Between the hours of 8:00 a.m. and 3:00 p.m., anyone other than registered students must check in with the school office and be issues a visitor's pass before entering the school building.

Check-in

Any student who comes to school after 8:00 a.m. must check in and receive a pass from the office before going to class.

Check-out

Parents should not allow students to leave school except when absolutely necessary. Students who drive to school may not leave school without written permission from their parent. The permission slip, including check-out time and a number to reach the parent, must be presented to the office before school begins. If a permission slip is not sent, a parent or guardian must be present to check the student out. **STUDENTS WILL NOT BE ALLOWED TO CHECK OUT FOR LUNCH. ANY STUDENT LEAVING SCHOOL WITHOUT PERMISSION WILL BE CONSIDERED TRUANT AND SUBJECT TO SUSPENSION.**

Tardy

After five (5) tardies during a nine-week period, parents will be notified and students will serve three (3) days morning detention from 7:15 a.m. to 7:45 a.m. After five (5) additional tardies, the student will serve five (5) days detention. Subsequent tardies may result in suspension from school or loss of driving privileges. Five (5) tardies also constitute one (1) absence in a class.

Make-up Work

The teacher may request the student to make up work before or after school hours. In such cases a day's notice will be given for the student to arrange transportation. The student is responsible for contacting his/her teacher upon returning

to school after an excused absence to receive any work assigned on the day of the absence. Make up work is due within two days of the excused absence. Work assigned previously that is due on the day of an excused absence will be due the day the student returns to school. If a student fails to make up work in the time allowed, he/she will receive a zero for that particular work, be it a test or otherwise. Work missed because of unexcused absences may not be made up.

ACADEMIC POLICIES

Graduation

Upon successful completion of the prescribed number of credits, a student is awarded a diploma of graduation. A senior must participate in graduation practice in order to participate in the event. The practice is mandatory and may be varied by the Administrator. Any senior not completing the prescribed classes will not be allowed to participate in graduation. According to AISA regulations, a student cannot participate in graduation unless all requirements are met.

Promotion Policy

High School

Students in ninth, tenth, eleventh, and twelfth grades will be awarded credit awarded by semester, with 0.5 credits received per course if the first nine weeks (40%), second nine weeks (40%), and semester exam (20%) averages to 60 or above. Another 0.5 credits will be received in the same manner for the second semester (see exam exemption policy below). Students will be promoted to the next grade if they have earned the minimum credit requirement for the current grade. Requirements include:

- Sophomore classification at least 6 credits
- Junior classification at least 11 credits
- Senior classification at least 17 credits

Students who have not completed requirements will not be allowed to participate in graduation exercises. This includes those students who plan to complete requirements by taking courses in summer school. Students who have any accounts due may not graduate until payment is made.

Each student in grades 9-12 are encouraged to take at least six academic subjects (excluding P.E.). When the schedule permits, a student should take seven academic subjects.

In accordance with the stringent requirements pursuant to the diploma, it is imperative that the students pass English, mathematics, history, and science every year at each grade level in order to register for the next level subject, except with permission of the Administrator. The above statement is necessary in order for a student to earn a diploma and graduate in four years.

Middle School

Students in sixth, seventh, and eighth grades must pass five subjects to be promoted to the next grade. Four of the subjects that must be passed in order to be promoted are: English, mathematics, social studies, and science. Subjects not successfully completed in school must be passed in summer school. The first and second semester grades will be averaged together for final grades to be considered for promotion.

Elementary

An elementary student who fails one academic subject—mathematics, reading, spelling, science, social studies, or English—must have 24 hours of one-on-one tutoring before entering school the next year. The tutor must be an accredited teacher in either Early Childhood or Elementary depending upon the need of the child and must be approved by the Administrator and/or the Academic Committee of the Bessemer Academy Board of Directors. (Failure to abide by this policy will result in dismissal from the school or in having to repeat the grade.)

An elementary student in first or second grades who fails both language arts and math must repeat the grade or attend an accredited summer school program and pass both subjects. An elementary student in grades 3-5 who fails two subjects (reading, mathematics, English, social studies, or science) must repeat the grade or attend an accredited summer school program and pass the two subjects. Failure to accept either of these alternatives (summer school or repeating the grade) will result in dismissal from the school.

Honor Rolls

End of the year honor roll is decided by first semester average and 3rd nine weeks average for grades 6-12, and for each nine weeks for grades 1-5.

- “A” Honor Roll: 90-100
- “A/B” Honor Roll: 80-100

Parent Notification of Academic Problems

Learning is the ultimate goal of Bessemer Academy. We send out regular progress reports to our parents so they may be constantly aware of what is taking place. We will attempt to accomplish this in the following manner:

1. Daily work that is done in class will be sent home for observation in grades K-5. Each student in elementary school will be given a folder to take home each week which will contain most of that week’s work.
2. At the end of the fourth week of each nine week grading period, parents will be notified of their child’s midterm grade. Teachers remain on campus until 3:15 p.m. every day. Students may request extra help during this time.
3. Teachers may request a conference with parents to help work out any difficulty a student may be having. Additionally, parents may request a conference with a teacher by contacting that teacher and working together to schedule a meeting.
4. Report cards will be sent home for each student at the end of each nine week grading period, providing all financial obligations are current. Each nine week’s report shall indicate the student’s progress for one half of that semester. The student’s progress for that semester shall be determined by averaging the nine week’s grades and the semester exam if applicable. Report cards should be

returned to the home room teacher within two days. Grades may be checked by parents online at any time using FACTS.

5. At the end of the school year, the report card will give a summary of the year's work and state whether or not the student has made sufficient progress for promotion. Recommendation will be made for those students who have not made sufficient progress.

Academic Probation Policy

Any Bessemer Academy student in grades 6-12 who has two or more grades below 60 at the end of any nine-week grading period will be placed on academic probation. At the end of the next nine week grading period, all previous grades below 60 must be improved to at least a 60 or the student could be asked to leave Bessemer Academy. The school staff will help to determine an appropriate course of action for any student who has one or more grades below 60.

Conferences

Classroom teachers are on duty from 7:45 a.m. until 3:15 p.m. Each teacher has one planning period each day. This period is used for parent-teacher conferences and planning time.

Homework

Homework is assigned at the discretion of each teacher. Nightly assignments are constructed to strengthen the understanding of materials presented in class during the day or to familiarize the student with materials that will be presented in class the next day. Completion of these assignments is required for the students to be sufficiently prepared for the following day as well as for the most successful completion of the course.

Examinations

Semester exams will be given at the end of the first and second semesters and include the following criteria:

1. Exams are given in grades 6-12.
2. Exams are given in prearranged 90-minute testing periods.
3. No student will have more than two tests each day.
4. Exams will be comprehensive.
5. Exams will count 1/5 of the final grade.
6. Seniors will be exempt from the second semester exam for each course they have a 70 average or above for the second semester.
7. Students in grades 6-11 will be exempt from the second semester exam for each course they have a 85 average for the second semester.

8. Student averages for a course with an exemption will be calculated 50% for each nine week grade in the semester.

Schedule Change Policy

Schedule changes will be made as necessary at the beginning of each semester only. No changes will be made after ten days have passed. Any change made after that point would result in the student receiving an F in the class. Students must submit a schedule change request form with a parent signature to the Counselor.

Testing

Students are expected to have at least three tests for each subject over the nine week grading period. A major project grade can be substituted for a test grade if the teacher deems appropriate. The ACT is given once per semester at Bessemer Academy, and all 11th graders are required to take either the ACT and/or SAT test.

Transcript of School Records

The school will furnish a transcript of the student's records upon written request by the parent or legal guardian. All financial obligations must be paid in full before releasing the record.

Valedictorian and Salutatorian

Valedictorian will be a student who has attended Bessemer Academy for their last two years of school and is working for the Honors Diploma and has the highest grade point average. If there is a tie, all those tied will be honored. See additional information regarding GPA and Valedictorian selection in the "Dual Enrollment" section below.

Salutatorian will be a student who has attended Bessemer Academy for their last two years of school and is working for the Honors Diploma and has the second highest grade point average. If there is a tie, all those tied will be honored. See additional information regarding GPA and Salutatorian selection in the "Dual Enrollment" section below.

Dual Enrollment

To ensure that students are taking courses which will count for high school graduation, a student seeking to take Dual Enrollment/Dual Credit courses must meet with the Counselor to receive approval and proper documentation (including DE/DC agreements with the College or University). DE/DC CORE courses will not be placed on the transcript or take the place of required CORE courses taught at Bessemer Academy.

All classes will be awarded one full credit (this aligns with the AISA accreditation standards for DE/DC policy). All approved DE/DC courses will receive an extra quality

point toward the student's GPA. Summer courses taken as "electives" will be recorded on the student's Bessemer Academy transcript.

While Bessemer Academy is most supportive of students' initiatives to challenge themselves with college-level courses, we also recognize that not all students are afforded the opportunity.

Therefore, if/when the courses taken provide an increase in GPA which is not obtainable by elective courses taken at Bessemer Academy, those courses will not influence the ranking for Valedictorian or Salutatorian recognition. However, for GPA purposes, DE/DC courses will be afforded the appropriate weight to assist in college acceptance and/or scholarship attainment.

Work Study

Work study is a program available to juniors and seniors to earn career technical credit while employed at a job. This affords the student the opportunity to gain real-life, work-based experience. Students must be employed to access this course. Seniors are approved for two periods/two credits and juniors for one period/one credit. Juniors may be approved for two credits under special circumstances if they have completed other required credits for graduation, with final approval granted by the headmaster.

STUDENT ACTIVITIES

A student who registers for any extracurricular activity must have a “C” average. Clubs and their activities must be school related and reflect the high ideals and spirit of Bessemer Academy.

Beta Club

Beta Club is an organization that encourages and rewards exemplary student effort while seeking to cultivate the ideals of service and leadership. Our mission statement aims to promote the ideals of academic achievement, character, service, and leadership among middle and high school students. Membership in Beta Club is one of the highest honors awarded to a student.

The SGA provides ideas, interest, and vision for students, and a community where the principles of democracy may be studied, understood, and demonstrated.

The Student Government Association is made up of officers elected by the student body of the Senior High School. Two representatives from each grade level are elected to the SGA. SGA members must maintain a “C” average overall. SGA officers elected by the student body include President, Vice President, Treasurer, Chaplain, and Secretary.

Class Officers and Activities

Each grade level beginning with grade nine has class officers elected. These elections are held as a learning experience, stressing the importance of responsibility and honor. Class officers must maintain a “C” average. Each grade level elects the following:

- President

- Vice present
- Two class representatives

Committees may be appointed to help with the planning of parties, field trips, and/or other activities and projects.

Elections

The results of all elections will be announced from the office of the Administrator. Members of the faculty will count all ballots and the results will be given to the sponsor.

The elections are determined by a majority vote of one vote. Only in the case of a tie will there be a runoff.

Senior Class

The officers of the Senior Class, with their sponsors, will appoint committees and plan all activities of the Senior Class with the approval of the Administrator.

Activities for Seniors are:

the size of the group. Chaperones should be invited seven days in advance of the function and confirmation secured.

2. Chaperones should be present at least fifteen minutes before a function begins.
3. Chaperones should see that all students have transportation home and that faculty does not need assistance (i.e., cleaning, locking up, etc.) before leaving.

Athletics

Students in grades 6-12 must pay an athletic spirit pack fee per sport. Parents of participating athletes may join the booster club. In order to participate in AISA-sanctioned athletics, students must meet the AISA eligibility requirements. Anyone participating in athletics must be enrolled at Bessemer Academy prior to practice of any type.

SCHOOL RULES AND POLICIES

First Aid

When a student sustains an injury, it should be reported to his/her teacher immediately. If the injury is of a serious nature, the parents and paramedics may be called. All medicines taken by students must have a prescription label and left in the office.

Gym Rules

1. The building is for school activities.
2. Only tennis shoes and socks should be worn on the gym floor unless otherwise announced.
3. There will be no eating or drinking in the gym. On special occasions, there will be designated areas for refreshments.
4. All activities must be scheduled through the Administrator who maintains the school calendar. Dates for an activity should be requested early so that conflicts may be avoided.
5. The entire building must be left in good order and decorations removed by the next day.
6. The group in charge of the activity is responsible for cleaning up the gym.
7. Any damage should be reported to the school office immediately.

Gum and Food

Food and drinks must be kept in restricted areas or lunchroom. Any violation of this rule will result in a clean up detail for one period in the restricted area, which must be met by the following day. Student violation of this policy could result in detention.

Lunchroom

All students must eat in the lunchroom or patio, including students who bring their lunches. During lunch periods, all students must remain in these areas and abide by all rules.

We ask that parents not bring fast food/restaurant food to school during lunch for students. Lunches should be handled prior to the student coming to school.

Hall Passes

No student is to be out of his or her assigned class unless they have a signed pass by the teacher in charge. The pass must be returned to the teacher who issued the pass.

Inclement Weather

On days when snow or icing conditions exist, an announcement will be made on local radio and TV stations, along with a BAmessage phone call/email/text by 6:00 a.m., regarding school closing. It is not necessary to call school officials.

Motor Vehicles and Driving

All students who drive cars to school must register that car in the office. To register a vehicle the student **must show proof of a Driver's License and insurance.** When the car is registered, the office will issue a parking permit. The permit is to be displayed on the windshield while on campus. Failure to do so could result in driving privileges being revoked and/or suspension from school.

Students are not permitted to linger in cars after arriving on school grounds. No one is to go to a car during school hours without permission from the Administrator.

Student vehicles must be parked in the side parking lot or the football field parking lot.

Any student seen driving recklessly will be reported to the office. Any student violating any of the above rules will be subject to the following disciplinary procedures:

1. Warning
2. Loss of privilege of bringing a car to school for a period of one (1) week
3. Loss of privilege of bringing a car to school for the remainder of the school year

School Trips

The Administrator will approve all school trips prior to the date scheduled. All students attending must have a signed permission slip in the office.

Tuition and Financial Obligations

Student tuition payments are due on the first of each month. A late fee of \$50.00 will be charged for any payment that is received after the 10th of the month. A charge of \$50.00 will be made for all checks returned by your bank for any reason.

Once an account becomes delinquent 20 days, the student will not be allowed to attend class until the account is brought current, including late fees.

The individual(s) signing the contract with the school are obligated to pay the annual tuition regardless of whether the student actually attends school. The parent or guardian commits to pay the annual tuition when the contract to enroll a student is signed. Withdrawal of a student prior to the start of school or at any time during the school year does not void the requirement to pay the full annual tuition to this school. No records will be released until the student account has been paid in full.

Religion

Although Bessemer Academy is not a church-sponsored school, we do feel that we provide a Christian atmosphere for our students. As part of the day's announcements, a daily devotional is read, along with a prayer. Most elementary teachers will have a short prayer before lunch. Students in grades 6-12 participate in Chapel once a month, and students in grades K5-5 participate in Worship Wednesdays.

Textbooks

Students are to take care of textbooks. Students will have a book check monthly at the discretion of the teacher. Care should be taken to see that students are responsible for books and books are not abused. Any books damaged, destroyed, or lost by a student are the financial responsibility of the parent.

Telephone

The office telephone will be available for student use in the case of an emergency. Students receiving calls will not be called out of class unless there is an emergency. Students must have permission from the office staff to use the phone.

Cellular Phones

The use of cell phones, iPads, smart watches, or electronic tablets is not allowed during class time. Cell phones will be taken up at the beginning and returned at the end of each class. Cell phone use outside of class time and procedures regarding taking up cell phones is up to the discretion of the Administrator. If cell phones or other personal devices are taken up due to inappropriate use, a parent must pick them up in the school office.

Any loss or breakage of all phones or technological equipment is not the responsibility of Bessemer Academy. The school office has a student phone for use as needed, and office staff will forward messages to students.

Social Media

Social media can be a tool for communication, but it can also be detrimental. **Disciplinary action will be taken if students video and/or post events that occur during the school day without permission.** Students and parents should avoid making derogatory or slanderous remarks toward Bessemer Academy and/or faculty and staff. These actions may affect enrollment status or discipline record. Parents and students should always consider communicating a positive image toward Bessemer Academy when posting on any social media. Posts that include inappropriate language, conduct or a negative attitude may result in dismissal from school.

Visitation on Other School Campuses

No Bessemer Academy student may visit another school's campus during the school day or a Bessemer Academy holiday without proper authorization. If a Bessemer Academy student does visit another campus without proper authorization, Bessemer Academy does reserve the right to take proper disciplinary action.

Visitors

Parents and volunteers are a vital part of our success here at Bessemer Academy. We welcome parent support; however, policies and procedures are in place to ensure the safety of our student body and the minimal disruption to the instructional day. Parents and visitors must adhere to the following:

1. Park in the parking lot
2. Check in at the main office

Drug Policy

Bessemer Academy is committed to assuring that all employees, students, and any individual performing services on school property or attending school-related activities, will perform their duties free from the influence of illegal or inappropriately used drugs. It is our objective to provide and maintain a safe, drug-free school environment. All employees and students are required to abide by this policy as a condition of employment and school attendance.

Staff or students who inappropriately use alcohol or use, distribute, buy, sell, transfer, or possess illegal or prohibited drugs in any amount, at any times on school premises, in a school vehicle, or while performing any time on school-related activities whether on or off school premises will be subject to disciplinary action up to and including expulsion for the students or discharge for staff members. For the purpose of this policy, an illegal drug is any controlled substance that cannot be legally obtained or that although available legally, has been obtained illegally. A controlled substance is any substance listed on the schedule of U.S. Federal Control Substance Act. Prohibited drugs may include but are not limited to the following: THC (marijuana), cocaine, opiates, amphetamines, phencyclidine, barbiturates, benzodiazepines, methacholine, propoxyphene, ethanol, and methadone. Alcohol is prohibited due to its depressing mood-altering affects and because it is illegal for minors to possess or use. Over-the-counter drug abuse is prohibited because it may cause impairment. The conduct prohibited by this policy includes the use of any illegal or prohibited drug before or after school, before or after school activities, or during breaks and meal periods. Violation is grounds for immediate disciplinary procedures as addressed in the Code of Conduct. Use of prescription drugs by staff members or students who are undergoing medical treatment with a prescribed controlled substance, or who are taking a over-the-counter drug which may alter physical or mental ability must report or have their physician report this fact to their teachers or Administrator. In the case of a student, it is the parent or guardian's responsibility to notify the proper staff and

provide the school with a copy of the prescription and/or other medical verification. Any abuse, overdose, or misses of prescription or over-the-counter drugs, which may cause staff or students to be impaired, will be considered a violation of school policy and will be grounds for immediate disciplinary procedures as provided for in the Code of Conduct.

Substance Abuse Testing

Under the school policy, all staff members and registered students will be subject to reasonable cause of alcohol and other drug screening and testing. All students are subject to random drug testing at the discretion of the Administrator.

Reasonable Cause

The reasonable cause determination will be based on specific contemporaneous physical, behavioral, or performance indicators, including but not limited to the following:

- a. Apparent unusual or bizarre conduct, physical condition, appearances, or speech, which would indicate that the employee or student is under the influence of drugs or alcohol.
- b. Involved in a series or pattern of school accidents.

- e. Speeding or driving recklessly on school property and/or while in control of a school-designated vehicle.
- f. When behavior is consistent with aberrant behavior warnings listed on aberrant behavior checklist.

Refusal to Submit

Any school staff member or students who refuses to submit to a reasonable cause drug test, refuses to provide a specimen at the collection site, refuses to cooperate during the collection process, such as refusal to sign or fill out the urine screening custody and control form or any other required paperwork, fails to cooperate with the collection site personnel, fails to void an adequate specimen, engages in conduct which creates reason to believe a urine specimen has been altered or substituted, fails to report to the collection site without a legitimate reason, and fails to provide an adequate specimen without a medical basis will be subject to disciplinary action including termination or expulsion.

Positive Test

Staff members or students testing positive for any mood, physical, or mind-altering chemical will be considered unqualified to continue in this school program or work. A positive drug screen or screen that is determined diluted or adulterated by a

testing laboratory will place the subject in a position of being suspended, expelled or terminated.
